+ Summer Program 2012

Rebuilding Together®

North Central Florida

Have you ever wanted to go on a mission trip?
Have you hesitated because of time, cost, or travel?

Rebuilding Together North Central Florida has the perfect opportunity for you! Summer Program 2012 will bring teams of young people together to complete needed home repair projects in Alachua County.

We are currently recruiting for staff positions to oversee daily operations and training for program participants. Ideal staff members will be motivated self-starters who work well with high school students. Staff members will work as team to ensure participants and their chaperones are engaged and enjoying their experience. Interested applicants should apply by March 30 for priority consideration. Visit the Rebuilding Together North Central Florida doe more information and to download the application:
