**2005-Present Director of Clinical Services and Program Development**

*Tampa Crossroads, Tampa, Florida*

As the Clinical Director of all Tampa Crossroads, Inc. Residential and Non-residential treatment programs, I provide weekly qualified supervision to clinical staff and interns, facilitate treatment team meetings, coordinate and provide trainings for staff, ensure program compliance with DCF and DOC licensure and contractual standards, and provide substance abuse and mental health counseling services to a small number of clients (5 to 8) weekly. Program Development duties include identifying and securing funding to maintain and grow our existing treatment programs through writing of grants, developing partnerships with referral sources, and identification of needed treatment services (service gaps) within the community and developing new programs to meet those needs.

**2001-2005 Director of Non-Residential Services**

*Tampa Crossroads, Tampa, Florida*

Supervised a department that provides all of the agency's Outpatient and Aftercare counseling services. Developed and maintained department budget and purchasing procedures. As the agency's grant writer, my duties include identifying potential funding sources, writing grant proposals, and grant management. I developed and implemented treatment programs producing over \$1 million in revenue to include the J.A.D.E and P.R.I.D.E. Prostitution Programs, the M.I.P. Drug Assessment and Intervention Program, the Community Transition Program, the Men's Criminal Offender Intervention Program, and the TRIAD Habitual DUI Offender Program. In addition to my duties as Program Director, I continued to maintain a clinical caseload of 10 outpatient substance abuse and mental health clients, facilitated the Tampa Crossroads Aftercare Program, performed assessment, group and individual counseling, case management, and advocacy to the courts.

**2000-2001 Primary Substance Abuse and Mental Health Counselor**

*Tampa Crossroads, Tampa, Florida*

Provided individual and group therapy to clients with substance abuse or co-occurring disorders. Maintained caseload of approximately 20 clients at all times. Conducted psychosocial assessments, developed treatment plans, served on a multi-disciplinary treatment team, attended treatment team meetings, and provided referrals for employment, housing and other case management needs. Maintained clinical documentation in compliance with licensing regulations

**1992-1997      Medical Office Nurse**

*Weiss and Newberry Medical Associates, Melbourne, Florida*

Performed office nursing duties at a fast paced/high volume Neurology office, associated Neuro-Testing/MRI center, and Chronic Pain facility. Added duties included being OSHA Compliance officer for entire facility and conducting in office OSHA training for all employees.
