Dear Colleague,

Congratulations on your acceptance into the UF Graduate School and your full tuition scholarship. Your scholarship, which does not include books and course materials, is contingent on you meeting the commitments below. Please read these commitments and confirm your understanding and agreement by initialing each section.

**Partner School Commitment:** You will work in a full-time teaching position in a pre-K to third grade classroom within an i3 partner school for the duration of your program. You may not voluntarily transfer during the project implementation period.

________ (initial here)

**Maintaining Good Standing:** The College of Education will pay your tuition at the start of each semester. You must maintain a 3.0 GPA average. If you earn a grade below “C” in a course, you must retake that course at your own expense. If you receive an Incomplete (I) grade, you will be unable to take additional courses until the incomplete course has been resolved. If you drop a course, any refund due must be returned to the scholarship account, and you will be responsible for any financial penalties for dropping the course after the add/drop period.

________ (initial here)

**Participation in Evaluation:** You will participate in all necessary data collection activities necessary for the evaluation of the program’s impact, including but not limited to surveys, classroom observations, and interviews.

________ (initial here)

**Annually Renewable:** Your scholarship will be renewed annually contingent on continued funding; a continued contract between the UF College of Education and the School Board of Miami-Dade County, Florida; and your continued compliance to these commitments.

________ (initial here)

I understand the terms of this agreement and agree to abide by its terms.
