Note:

Purpose: This project will enhance the Bachelor's of Science in Special Education and the Master's of Science in Special Education programs. The aim is to ensure candidates meet the highly qualified teacher guidelines of the Elementary and Secondary Education Act and No Child Left Behind.

Method: Activities of this project include: (a) enhancing the dual certification in special and elementary education (Grades 1-6) curriculum and field experiences for students with high incidence disabilities and with high needs in urban settings; (b) revising syllabi, curricula, and field experiences; (c) designing and implementing a mentoring program; and (d) disseminating information.
