

University of Florida – Scope of Work

Justin Ortagus, Ph.D., will serve as the Principal Investigator (PI) for the Helios Foundation subcontract and as the point of contact for the project. He will be responsible for overseeing the project through all stages of the process and for supervising project personnel. PI Ortagus will control all financial aspects of the research grant and ensure compliance with all protocols. He will also ensure the successful completion of all aspects of the proposed deliverables, including a progress report and final evaluation report. PI Ortagus will monitor project deliverables and ensure milestones and timelines are met at each phase of the project.
