

ORLANGE COUNTY PUBLIC SCHOOLS Proposal for Professional Services

The UF Certified Instructional Coach Program has been designed as an intentional and powerful program to build the capacity of school systems to continuously improve the quality of teaching and learning. Certified Instructional Coaches are a foundational building block of a school system's strategy to assess the quality of instruction and provide actionable feedback that improves teacher effectiveness. UF's goal is to partner and work closely with school systems to develop a strong cadre of certified instructional coaches that have deep expertise and substantial success in advancing teaching and learning outcomes.

UF will provide Orange County with sustainable ongoing scaffolding and support for a nominal fee, including the coaching notebooks. In essence, this is a cost-efficient gradual release model where UF works in tandem with the district to build a powerful approach to improve teacher practice and student learning that can be sustained and grown. The UF Lastinger Center will provide Orange County with:

Coaching Resources

The district can order coaching notebooks and SRI Resource books through the Lastinger Center. The notebooks and SRI Resource books can be delivered directly to the district. Individual districts are responsible for creating and ordering resource packets with articles for their coaching participants. They are also responsible for ordering Jim Knight's *Instructional Coaching* book along with any other texts they would like to include for the training.

Calibration Session:

The University of Florida will provide video calibration training to Orange County facilitators.

Video Review and Certification:

The University of Florida will continue to certify coaching participants. For participants to become UF Lastinger Certified Instructional Coaches they must have their coaching video certified by a member of the UF coaching team. A certificate of completion will be issued to participants who meet the criteria outlined on the coaching rubric.
