

## SEMINOLE COUNTY PUBLIC SCHOOLS Proposal for Professional Services

The UF Certified Instructional Coach Program has been designed as an intentional and powerful program to build the capacity of school systems to continuously improve the quality of teaching and learning. Certified Instructional Coaches are a foundational building block of a school system's strategy to assess the quality of instruction and provide actionable feedback that improves teacher effectiveness. UF's goal is to partner with and work closely with school systems to develop a strong cadre of certified instructional coaches that have deep expertise and substantial success in advancing teaching and learning outcomes.
