

University of Florida Scope of Work

July 1, 2023 – June 30, 2024

PACT-Local

Dr. Matthew Burns will continue to be a Co-PI on the PACT-Local project. As such, he and his team will lead efforts to code audio recordings and assess treatment fidelity, and to score fluency assessments. He will also support recruitment of Cohort 3, submit research applications to schools, support the data evaluation team, and help develop, distribute, and analyze surveys for the project.
