

Lafayette Believe and Prepare Overview

The UF Lastinger Center, in partnership with the Lafayette Parish School System, will head a project program. The project consists of courses aimed at preschool or infant/toddler professional development and a program to provide instructor credentials. The professional development courses consist of four terms each with designated courses per cohort. Instructors will be provided by the Lafayette Parish School System with instructor ongoing support provided by the Lastinger Center.

The UF Lastinger Center instructor credential program offers introductory professional learning targeted at growing and supporting the skills of the Flamingo Early Learning online instructor. The professional learning modules and culminating portfolio focuses specifically on essential components related to virtual learning within the Flamingo Early Learning Courses.
