

<< **EME2040**: Introduction to Educational Technology >>

EDUCATIONAL TECHNOLOGY SPECIALIZATION

Preparing for a career in instructional design and e-learning.

DESCRIPTION

Explore the potential of the latest productivity and collaborative tools (Google Doc, etc.), create interactive Web2.0 media presentations, search academic databases and learn to effectively share your accomplishments via the World Wide Web.

The course also encompasses topics such as: mobile learning, emerging technologies, media literacy and ethics. Finally, EME2040 provides an excellent opportunity to establish your digital identity and professional presence through ePortfolio and social media.

ESTABLISH DIGITAL IDENTITY

- >> Promote social-media presence
- >> Create a LinkedIn profile
- >> Build an ePortfolio
- >> Master self-promotion through media

PREQUISITES

>> **NONE**
