

**REVISED T&P ROTATION PLAN PROPOSAL
EFFECTIVE IMMEDIATELY FOR SPRING 2008 COE
ELECTIONS; TO BE IMPLEMENTED IN FALL 2008**

The College T&P Committee shall consist of five members, one from each department in the College. All T&P committee members will be elected. Members must be full professors elected from within designated departments by a college-wide vote to be held as part of the FPC spring ballot. Each designated department will be asked to provide two nominees for the electoral process. The runner-up from each department will substitute if needed (e.g., sabbatical or illness of the elected faculty).

The Dean will appoint the committee chair from among those who have previously served on the committee.

Elected members can only serve one three-year term. They may serve another term in the future, but not two consecutive terms.

We recommend a 3-year rotation as follows:

Year	EAP	CED	EDP	SPE	STL
1	X			X	
2		X			X
3			X		
4	X			X	
5		X			X
6			X
