

Technology and Distance education committee meeting

10/5/23

Present: Helena, Kristi, Bojan, Walter, Tom Dana, Katy, Magdi

Nathan Hanson & Elayne Colon present to the committee.

Nathan showing data Fall 20203 applicant and enrollment data.

Data Not cohort data

Data showing is only for Fall 2023.

Tom: wondering if there is any change compared to prior years.

General goals of committee

1. Goal is to increase pool of applicants and enrollment of said students to be more varied.
2. Support colleagues in online recruitment and retention by providing resources with college.
3. Where else are the spaces where we can be supportive?

Future data Request by committee to Nathan and Elayne:

1. Applicants, admits, enrolled, provided over 3 academic years. Need to see 2-3 year for all online graduate program across demographics
 - a. Add years in the field if possible.
 - b. Age
2. Would be helpful to see both fall and spring of year
3. We have a goal of comparing data year to year, semester to semester too
4. Uncompleted application vs completed – Nathan- not really possible
 - a. No – not possible coming from 3rd party – “paid application fee”

Re: summit in April – may not see a difference here re: summit results.

Questions:

- Do we collect data on 1st generation college students? Only at undergraduate level. Probably not.

Nathan – can provide more data for 3 semesters: Summer fall spring. Fall is a benchmark.

Elayne – new idea

- all program coordinators to development program improvement plan (CIPs)
- Continuous improvement plans – submitted
- Can we look at strategies from CIPs – is there analysis there re: what strategies proposed?
- Could provide the row of Action items off of CIPs

Elayne- report on monitoring a particular legislation HB 1035 - line 256? – “public school teachers get 6 credits per semester !”

- Dual enrollment <http://laws.flrules.org/2023/38>
- Section 5. Section 1009.31, Florida Statutes, is created to read:
- 1009.31 Dual Enrollment Educator Scholarship Program.
- (1) The Dual Enrollment Educator Scholarship Program is established to assist teachers of grades 9-12 in public schools in this state in obtaining the graduate degree and credentials necessary to provide dual enrollment coursework directly to students on the campuses of such schools.
- FL DOE - They are building a website for interested teachers.
- Discussion with SUS counterparts – up to the institution can decide whether or not offer waivers.
- Maybe Way to minimizing AP courses for dual enrollment.

Tom re: data on applicants & enrollment

- Who do we have in data pull provided by Nathan?

- Answers a version of the Question – compare some of the rows to
- Current enrollment is likely about last 3 years of applications.
- Is there alignment or does it look different?

Next meeting Nov 2nd.
