Information of the authors (in order of contribution)

In the item entitled *Basic Biographical Data*, please add your area of expertise, education and academic position.

1. Author (name):

Name used in the references: E-mail:

Department or equivalent:

Institute, Faculty or equivalent:

University or equivalent:

City: State: Country:

Basic biographical data:

2. Author (name):

Name used in the references: E-mail:

Department or equivalent:

Institute, Faculty or equivalent:

University or equivalent:

City: State: Country:

Basic biographical data:

3º. Author (name):

Name used in the references: E-mail:

Department or equivalent:

Institute, Faculty or equivalent:

University or equivalent:

City: State: Country:

Basic biographical data:

4º. Author (name):

Name used in the references: E-mail:

Department or equivalent:

Institute, Faculty or equivalent:

University or equivalent:
City: State: Country:

Basic biographical data:

5°. Author (name):

Name used in the references: E-mail:

Department or equivalent:

Institute, Faculty or equivalent:

University or equivalent:

City: State: Country:

Basic biographical data:

6°. Author (name):

Name used in the references: E-mail:

Department or equivalent:

Institute, Faculty or equivalent:

University or equivalent:

City: State: Country:

Basic biographical data:

7. Author (name):

Name used in the references: E-mail:

Department or equivalent:

Institute, Faculty or equivalent:

University or equivalent:

City: State: Country:

Basic biographical data:

8. Author (name):

Name used in the references: E-mail:

Department or equivalent:

Institute, Faculty or equivalent:

University or equivalent:

City: State: Country:

Basic biographical data:

9. Author (name):

Name used in the references: E-mail:

Department or equivalent:

Institute, Faculty or equivalent:

University or equivalent:

City: State: Country:

Basic biographical data:

10. Author (name):

Name used in the references: E-mail:

Department or equivalent:

Institute, Faculty or equivalent:
