 - We were ranked #1 for online education programs as a result the committee will look at our areas of strengths and for areas of growth

Deans' Report

- **Associate Dean Nancy Waldron**
 - Undergraduate teacher enrollment has declined each semester-as admissions requirement rise, there are fewer students interested in education in that pool, they are working with transfer students into UF

- 53 majors for Education Sciences undergraduate degree
- *Fully UF online bachelor's degree for Education Sciences will start Summer 2019
- Goal is to hit 100 students for the Education Sciences major by Fall 2019
- Master's program admissions is also at a decline
- Graduate certificate rates are up
- Doctoral enrollment is climbing steadily
- Highest rate in 7 years in terms of Ph.D. enrollment
- Ed.D. degree fewer in the COE but more Ph.D students
- UF Graduate council is considering proposed policy for GRE use for graduate admissions- the proposal is that the masters programs would be able to decide whether they would like to continue to use GRE as a part of admissions criteria or not
- Ph.D. admissions will still require GRE as part of admissions process
- Faculty will receive Qualtrics survey by Feb 4th, 2019 to gain insight on opinions of faculty members as it relates to use of GRE as admissions component
 - Can be completed as a committee or individually
- COE Graduate Recognition Ceremony May 4th 7:00 p.m.
- University wide ceremony for Bachelors, Masters and specialist May 4th 9:00 a.m.-James Patterson will be speaker at university wide speaker
- At the university wide ceremony there will be a student speaker from the COE to represent the university
 - Faculty will receive an email to nominate students to be the student speaker
- Marshals are needed for the graduation ceremony and emails will be sent out
- Participation would need to be increased for faculty
- There will be a combined graduation ceremony in Summer 2019 for graduation
- International students are encountering issues related to visas, new visa status for international students who are doing field or research experience in which they are not paid
- There are approvals that need to be tied to their visa status for students to engage in these experiences
- Students are not on assistantship process needs to be developed to ensure visa status is accurate-idea to track physical placement of these students
- **Associate Dean Tom Dana**
 - Katie Mack, Tenure Track-Joining School Psychology program
 - Chris Curren, Tenure Track- Joining Educational leadership program
 - 2 Qualitative Research track tenure positions
 - 1 Counselor Education tenure track position
 - Building updates were provided
 - Expected to be back in Norman for the Fall 2019 Semester
 - It will take about 3 weeks to install furniture and technology within the classroom
 - Building inscription contest-comments are welcome on decision for inscription- we are limited to about 15 words
 - In all 3 schools in the COE the directors are to be evaluated, evaluations are getting ready to be sent out
 - All full-time faculty participate in the director evaluation process
 - Look for evaluation this week
