

Research Advisory Committee

2010-2011 Final Report

For 2010-11, the Research Advisory Committee (RAC)...

1. Reviewed applications and suggested awards for the...

a. UFRF Research Professor (3 applications)

b. Research Opportunity Incentive Seed Fund (3 applications)

c. College Research Incentive Fund (5 applications)

2. Reviewed the faculty governance constitution and suggested modification for the RAC description to be considered: "This committee will consist of two people from each school as well as a voting representative of the Council. This committee shall make recommendations regarding policies, awards and matters related to research within the College of Education. This committee shall provide input to the Associate Dean for Research for research-related activities of the Office of Educational Research. Furthermore, this committee shall collaborate with the Curriculum Committee to provide input on research-related courses and the preparation of students to conduct research."
