Education Sciences (EDS_BA) ALC Revisions

Graduate Modifications

MHS7610 Counseling Supervision Theories and Practice

<https://secure.aa.ufl.edu/Approval/reports/17007>

- The course was previously changed from a practicum course to a seminar course to meet accreditation requirements (see request #[11818](#)).
- That request changed the course title, description, credits, grading, non-repeatable, and prerequisites; however, it failed to change the course type.
- The current request is to modify the course type to match the current structure of the course since 2019.

- According to the site, I do not believe a syllabus is required for this type of modification.

Motion to approve by MacInnes; Second by Koukoulidis, Gallingane, Lombardino, and Cox

EDA6931 Special Topics

<https://secure.aa.ufl.edu/Approval/reports/17006>

- The Educational Leadership program would like to modify the maximum number of repeatable credits for EDA6931 from 10 credits to 12 credits.
- This issue recently was fixed for the higher ed program for EDH6931 and approved at the state level. The wording of this submission matches that request ([Request 16390](#))
- The syllabus is just an example and should not need to be reviewed. The syllabus that is attached has been approved by this committee, the graduate committee, and the state ([Request 13548](#))
- Change to 12 CH makes sense
- Changing minimum registration to 1-3 is fine; just curious if leaving minimum at 1-5 might be useful
- Cox votes to Approve; Seconded by Koukalidis

Motion to approve by MacInnes; Second by Koukoulidis, Gallingane, Lombardino, and Cox

New Undergrad Program

Early Childhood Studies Undergraduate Minor

<https://secure.aa.ufl.edu/Approval/reports/17015>

- There is a typo in the description of request (“the” should be “that” in one of the sentences; otherwise sounds great; these courses and context of this request have already been discussed
- Gallingane votes to Approve

Motion to approve by MacInnes; Second by Koukoulidis, Gallingane, Lombardino, and Cox

Next CCC Meeting
