SDS2XXX: Stigma and Mental Health (Permanent Quest 2)

<https://secure.aa.ufl.edu/Approval/reports/18120>

- Consider revising paragraph that reads: “At the start of the semester, students will sign up for a week to present (at the beginning of class). They will also submit a direct link to the news story through Canvas. Stories should be no older than two weeks. Presentations should aim for around 3-5 minutes or so followed by possible questions from the audience.”
 - (1) Does the student submit a link to the article every week or just the week they present?
 - (2) Are all stories to be no older than 2 weeks?
 - (3) Is there one presentation or more than one presentation? I noticed that it is presentations in the document.
- Grammatical issues in the syllabus as follows:
 - If you identified no challenges, discuss about what measures/ strategies did you use to prevent challenges? PAGE 8. (Suggestion – discuss measures/strategies you used to prevent challenges)
 - Additionally, identifying and discuss any stigma you are aware of related your identified areas of wellness. PAGE 7 (not a sentence)
 - At the end of the semester, students will submit a paper including their analysis and reflection of their experience during the semester. Specifically describing their experience of following the wellness plan that you created at the start of the semester. PAGE 7. (references students/their and then switches to you – also phrase starting with Specifically is not a sentence)
 - Students will keep a daily tracking log of your evaluation of your experience in each domain and to keep a reflective journal during this time to keep track of their daily and weekly experiences of wellness for their goals in each wellness domain. PAGE 8. (Switches from students to your to their.)
 - PARTICIPATION RUBRIC - CONSIDERATE - Takes the perspective others into account. P 15. (Should be Takes the perspective of others into account.)
 - During which the students will receive information about the CWC and available mental health services. PAGE 22 (not a complete sentence)
