New Business:

EME 6XXX: Emerging Learning Technologies

<https://secure.aa.ufl.edu/Approval/reports/15358>

- projects don't match up—clarity on number of projects (6 or 7)
- 5000 or 6000 level course?
- confusion on the eportfolio (is that the 7th? Did that one happen elsewhere?)
- is there another course that's similar? Why say this course is different if there's not a close course? Technology requirements for the class may not be adequate—how much storage space needed? Do they need a camera or 3-D printer?
- Maybe double check with college requirements for technology? Can they be different from ETC requirements?
- Syllabus--"readings" is spelled incorrectly on the table
- Submission form doesn't have the line about the readings being available in Canvas (it's on the syllabus)
- Syllabus: course/university policies for absences should be reworded to say it will be in accordance with UF policies (there are other excuses than medical)
- Additional notes from Nancy Waldron will be shared with submitter

Motion to CA by Cox; Seconded by Pringle

Anti-Black Racism: Action steps to meet our goals

- <https://drive.google.com/drive/folders/1MhjEJfnC7D9Bd8r3FRo1R206hXQIMehh?usp=sharing>
- Committee discussed:
 - Recommendation versus policy
 - Streamlining the list of questions to remove duplicates
 - Kohnen suggested bringing what we have to other curriculum committees and get input; will polish document and present back to December CCC mtg. with the goal of submitting to FPC in January 2021

Next CCC Meeting

Monday, December 14, 2020; new submissions due by November 30, 2020. This will permit time for preview and feedback before the submission goes to the full committee.

Meeting Adjourned at 2:30pm
