Update on Prior Business from 11/09/20 meeting:

EME 6XXX: Emerging Learning Technologies

<https://secure.aa.ufl.edu/Approval/reports/15358>

- NW to send notes to submitter

Update on older business:

- STL concentrations-still pending

New Business:

New Graduate Course-

EDF6820 Education in Latin America

<https://secure.aa.ufl.edu/Approval/reports/14741>

- Makeup work; absences need to be in line with UF policy
- Excused absences must be consistent with university policies in the Graduate Catalog and require appropriate documentation. Additional information can be found in Attendance Policies. (per AA)
- Need full University grading scale
- Thorough syllabus; ? about number of readings based out of Brazil; country has most robust educational policies on equity, race and access in South America
- Make sure wording in syllabus and request form coincide stating "...following UF policies..."

- List criteria about how grade is obtained on the 25%

Motion to CA by Gallingane; Seconded by Lombardino

EDG 6XXX: K-12 Computer Programming Foundations I

<https://secure.aa.ufl.edu/Approval/reports/15516>

- Parallel courses offered in CISE, but limited projected enrollment may prevent ENG from offering
- Will need to submit a consult from CISE showing their support/approval
- Statement about software needed and use of it; is this in line with UF policy?
- Attendance wording needs to be in line with UF policies
- Student privacy: link goes to 09/10 catalog; please update
- Under Course Deliverables: Beyond the outlining of the deliverables, should there be a description so one can determine the match to the course objectives? Also, assignment vs learning activities? Differences/similarities?
- Under Course Objectives; 2nd bullet: Online course-demonstrate/create or both?
- Under Required Textbooks & Software where it states list of resources that will be “employed this semester.” In general, or specific? Not shown how they will be incorporated or referenced in the modules.
- Would this course be considered an introductory course at the graduate level? Similarly, is this course the introductory course for its second half of the series?
 - If so, perhaps note that this course will be the introductory for its counterpart.

Motion to CA by Leite; Seconded by Lombardino
