

## **Support of Algebra Nation Michigan 2017-18**

The University of Florida (UFL) will assist SE in the implementation of Algebra Nation in Michigan through the following services:

- UFL will assist with creating content (videos, practice problems, etc.) aligned with Michigan mathematics standards.
- UFL will host professional development sessions for Michigan teachers.
- UFL will work to increase usage of Michigan students and teachers.
- UFL will participate in ensuring program standards are maintained.
