

Management and Administration for South Carolina Child Care Resource and Referral Network

The University of Florida, Anita Zucker Center for Excellence in Early Childhood Studies will provide support to the South Carolina Child Care Resource and Referral Network at the University of South Carolina Child Development Research Center.

Dr. Herman T. Knopf, Research Scientist at the University of Florida, will perform the following services:

- Continue to engage with project leadership to refine and implement the Quality Coach Implementation Guide.
- Participate in Child Care Policy Research Team meetings to discuss and develop meaningful use of South Carolina Child Care Administrative data.
- Engage with Vasanthi Rao (Project PI) in weekly project implementation meetings to provide ongoing advice and support.
- Assist CDRC in collecting, analyzing and presenting the results from the workforce study of early child care workforce in South Carolina.
- Continue collaboration with other state agencies to support Child Care infrastructure and system refinement.
