

BEST in CLASS Elementary
Efficacy Trial
University of Florida
7/1/18 – 6/30/22

The University of Florida will be responsible for the following tasks:

- Hire and train staff.
- Recruit 2 Florida schools to participate in study (24 K-2nd grade classrooms total).
- Recruit 72 students from those classrooms.
- Conduct baseline, ongoing, and post-test measures.
- Implement BEST in CLASS-Elementary intervention.
- Participate in weekly cross-site meetings with Virginia Commonwealth University.
- Assist with completion of annual performance reports.
- Oversee statistical procedures for implementation of the efficacy trial.
- Conduct data analysis and dissemination.
