

## **Support of Algebra Nation Mississippi 2018-19**

UFL will assist Study Edge in the implementation of Algebra Nation in Mississippi through the following services:

- UFL will assist with creating content (videos, practice problems, etc.) aligned with Mississippi mathematics standards.
- UFL will host professional development sessions for Mississippi teachers.
- UFL will work to increase usage of Mississippi students and teachers.
- UFL will participate in ensuring program standards are maintained.
