

## **Immediate Aid to Restart School Operations Program**

P.K. Yonge Developmental Research School, the University of Florida's Lab School, will ensure equitable access to, and participation in, its federally assisted program for students, teachers, and other program beneficiaries with special needs. Gender, race, national origin, color, disability, or age will not impact the opportunity to apply for or selection of contractors and service providers who may bid or help put P.K. Yonge's campus back online after Hurricane Irma.

The institution certifies that its financial system is in accordance with generally accepted accounting principles and complies with all applicable laws and regulations. P.K. Yonge's expenditures are reviewed to ensure costs are allowable, allocable, reasonable and consistent with the funding agency regulations by the University of Florida's Contract and Grant office. UF's Contract and Grants oversees the management of all awards for compliance with the sponsor's financial guidelines.
