

## **Study Edge Algebra Nation**

The UF Lastinger Center for Learning will assist Study Edge with the implementation of Algebra Nation through the following services:

- Lastinger will assist with creating content (videos, practice problems, etc.) aligned with State Mathematics Standards.
- Lastinger will host virtual and face to face professional development sessions for teachers.
- Lastinger will work to increase usage of students and teachers.
- Lastinger will participate in ensuring program standards are maintained.
- Lastinger will assist with other implementation support as is necessary.
