

Scope of Work

Early Education in Rural North Carolina

Subcontract from University of North Carolina at Chapel Hill to University of Florida

Institute of Education Sciences Grant R305N160022, *Early Education in Rural North Carolina*
(NC site of the Early Learning Network, ELN)

(1/1/2021-5/31/2021)

Mary Bratsch-Hines will engage in the following scope of work during the remainder of Year 5:

- Attend weekly ELN meetings.
- Assist UNC-Chapel Hill team in completing funder (Institute of Education Sciences) reports.
- Conduct statistical analyses using ELN data, including working with key personnel and graduate research assistants who will assist with analyses and manuscript writing.
- Assist with dissemination, including writing and editing manuscripts, applying for and attending conferences (e.g., PCRC, SRCO, SREE, NRCEC), and helping with sharing information with a wide audience (e.g., to districts; by using blog posts, social media outreach).
- Participate in broader ELN network activities, including attending ELN meetings and participating in workgroups.
- Assist with project management transition activities related to the project's scope of work.
