

## Live Well Course Descriptions

### **Disability Knowledge Courses:**

#### ***EEX 6099 Social Perspectives on Disability***

This course provides a framework for understanding disabilities and disability-related issues within societal contexts. It examines (1) historical and contemporary views of people with disabilities, (2) disability-related issues with respect to education, inclusion, and advocacy, and (3) perceptions of people with disabilities with respect to acceptance and inclusion in society.

#### ***EEX 6525 Disability Policy and Legislation***

This course will cover the development and enactment of laws and policies designed to protect the rights of persons with disabilities including the Americans with Disabilities Act and other significant legislation. Students will review recent and pending court cases that affect various aspects of adult life for persons with disabilities.

#### ***EEX 6778 Community and Work Access for Individuals with Disabilities***

This course will cover aspects of the community, work and postsecondary education experience for adults with disabilities. Potential concerns of employers, co-workers and friends will be addressed. Effective practices that foster accepting and supporting environments thus ensuring successful life outcomes for adults with disabilities will be discussed.

#### ***EEX 6930 Seminar in Disabilities***

This course is designed for students to develop a summery project based on the integration of supporting individuals with disabilities in the workplace, postsecondary education, community, and life. Students will develop individual projects.

### **Field Knowledge Courses:**

The Field Knowledge component is highly individualized for each student, therefore, course descriptions will vary.

### **Knowledge to Practice Courses:**

In addition to completing a project, students are required to take 6 credits of EEX 6910: Supervised Research.
