Job Title:

Summer 2015 Teaching Fellows Program

Position Description:

Join our movement

At Success Academy, we make history every single day. Our schools rank in the top 1% in math and top 3% in reading among all New York schools. In addition, 100% of all scholars passed the 2014 science exam. We provide an exploration driven curriculum for grades Pre-K-9, focused on the whole child. Chess, art, and other specialized subjects bring excitement to the school day and foster a lifelong love of learning. Our communities are calling for more, and we are meeting this urgent demand with rapid expansion.

Are you ready to join this movement and make an indelible mark on education reform across New York City?

We are seeking dynamic full-time Summer Teaching Fellows who are passionate about public education and drawn to the intensity of our high-performing environment. By joining Success Academy, you are at the nexus of reforming education and impacting children in New York City and across the country.

Responsibilities:

As a Success Academy educator, we will ask more of you – way more – than anyone ever has. But we will also equip you with the best resources available and support your development every step of the way.

This is a paid, full time position, with benefits.

Beginning in June, Summer Fellows will receive extensive training and development. Following this training period, Fellows will be placed in a Success Academy school as an Associate Teacher for the 2015-2016 academic year where they will work in classrooms to build their skills under the guidance of experienced teachers and school leadership. This is a training ground for becoming a Lead Teacher.

School Community. Every Success Academy school is a community of parents, teachers, leaders, staff, and scholars. We hold everyone within the school community accountable to the same high level of expectations.
