Volunteer Opportunity: Yoga for Children & Families

with a Licensed Clinical Social Worker * Coach, Counselor, Behaviorist *

Ms. Brianna Schiavoni has a B.A. in psychology & is a Licensed Clinical Social Worker (LCSW) working with children managing chronic conditions, like ADHD, anxiety & diabetes.

She returned to Gainesville 3+ years ago to offer counseling, coaching & behavior management to youth & their families alongside her mother in private practice – Ms. Lisa Schiavoni is a developmental school psychologist (Ed.S) & owner of Milestones in the Making, Inc.

'Ms. B' enjoys developing models for innovative & affordable mental health service provision, like kid's yoga; but needs volunteer support to maintain sliding-scale rates for families in need!

If you're interested in learning more about what we do & how we do it, we encourage you to apply for this one-of-a-kind volunteer opportunity as a 'behavioral support' during Ms.B's therapeutic kid's yoga classes. Volunteers will receive personalized training in behavioral modalities & oversight by a licensed professional. Position expectations range from 3-6 hours biweekly; & require a minimum commitment of ≥ 1 academic semester. Yoga experience is desirable but NOT required ☺

Classes – in need of volunteer support – vary in time, date & venue; but a current 'Kids Yoga Schedule' can be referenced at our website (below).

Interested parties should send a resume with cover letter ASAP to brianna.adele@gmail.com.

Applicants should include (1) what about the position interests you AND (2) communicate general schedule availability in their inquiries.
