

ECC

T-Shirt Design Contest

The Education College Council invites YOU to design the next College of Education T-Shirt!

FREE T-SHIRT to the winner

Suggestion: Designs could potentially include that UF's College of Education is #1 in the state of Florida, #1 in the Southeast U.S. and #20 among public U.S. education colleges. If you don't include these stats in your design, no worries! ECC will add them to the final T-shirt in some fashion.

Submit your designs by October 16th to
