

Florida Cicerones Recruitment

What We Do

The Florida Cicerones are the official student ambassadors to the University of Florida. We are the governing body to the Student Membership of the Alumni Association. We serve as the official campus tour guides through the Office of Admissions. We work with the University Athletic Association by hosting potential student athletes and their families. We assist the office of the President during Dr. W. Kent Fuchs' events in the President's house or the sky-box during football games, and we perform community service in the Gainesville community with organizations such as the Boys & Girls Club and TOPSoccer.

However, being a student ambassador is more than just the official responsibilities that we carry out. With every interaction, we have the opportunity to share our unique Gator story. We are all very different. Different personalities, interests, and backgrounds, but we are all on the same frequency of wanting to serve and better our university. The Florida Cicerones allows us to AMPLIFY our unique capabilities and channel them to something greater than ourselves.

How You Can Learn More

Our application opens at 12:00 p.m. on January 1st and they will close at 12:00 p.m. on January 9th. You can learn more about our organization by attending our Spring Forum on Thursday, January 7th in Emerson Alumni Hall at 6:00 p.m. RSVP for this event at the link provided: <https://www.facebook.com/events/1651042528498724/> Also, feel free to stop a Cicerone that you may see walking by or tabling because we love having the opportunity to express our love for our organization with fellow Gators!

Application & Interview Process

On your application you will be asked to provide the name and e-mail address of a reference. Your reference must have the ability to speak to your character. References should be past or present faculty, staff, supervisors or teachers of the University of Florida unless you are a freshman or transfer student. If that's the case, then a reference from your previous school is acceptable. Following application submissions, we will have two rounds of interviews. All applicants will be participating in group interviews and selected applicants will be chosen to participate in an additional individual interview. Final selections will be announced in late January.

If you have any questions, feel free to e-mail us at floridacicerones.amplify@gmail.com.
