

Job description:

ENGLISH TEACHER POSITION FOR JUNIOR HIGH/HIGH SCHOOL AT  
BILINGUAL SCHOOL IN CHILE

We are a mid-sized bilingual school in Concepción, Chile with small classes (approximately 25 students per class). We are looking to fill a full-time position for an English teacher at the Junior High to High School Levels. The position is for an initial one-year contract beginning in mid-February 2016 (we are unable to accommodate a later start date). Applicants should have native-level spoken English (preferred US accent), with experience teaching at the Junior High and/or High School levels and an undergraduate teaching degree. We are especially interested in applicants with knowledge and practice in ESL. Since this teaching position is in Chile, we require candidates who are independent and comfortable living and working abroad in a non-English speaking country. The position requires professionalism, proactivity, creativity, adaptability, good classroom management skills and the ability follow through with instructions and meet deadlines. Speaking Spanish is not required, but intermediate communicating abilities in Spanish are a plus and will make adapting to the Chilean culture much easier. If you love teaching and are interested in working with us please send your CV to [pbilingues@gmail.com](mailto:pbilingues@gmail.com)
