

Signature Tutoring Services ([www.signaturetutoring.com](http://www.signaturetutoring.com)) is seeking educators in the Ocala, Florida area for part-time tutoring positions. All tutoring is one-on-one. Winter 2016 opportunities include tutoring English, History, Spanish, math through AP Calc BC, and sciences (chem, bio, physics, often AP level) for students in grades 9 through 12. Most students are seasonal equestrians who spend January, February, and March competing at the HITS Ocala horse shows ([www.hitsshows.com](http://www.hitsshows.com)). They are typically strong students who are taking honors and AP-level courses at top high schools.

Signature Tutoring educators work flexible schedules as independent contractors. Top tutors in the Ocala area can work between 6 and 12 hours per week during the weeks of the horse show. Exceptional tutors often gain additional weeks and hours working with these student-athletes via SKYPE as they train, travel, and compete nationally and internationally. These student-athletes need the support of subject-expert tutors so that they are able to maintain their high levels of achievement in the face of exhausting competition schedules. When not competing, Signature Tutoring students attend a range of schools, from highly selective, competitive, college prep day and boarding schools, to rigorous distance learning programs, to some of the best public schools in North America. The students' full-time schools provide the curriculum and the grading of assessments.
