Volunteer & INTERN Opportunity:

## Yoga & other Special Projects for Children & Families

with a Licensed Clinical Social Worker  
\* Coach, Counselor, Behaviorist \* Specializing in Children w/ Chronic Conditions

Ms. Brianna Schiavoni has a B.A. in psychology & is a Licensed Clinical Social Worker (LCSW) working with children managing chronic conditions, like ADHD, anxiety & diabetes.

She returned to Gainesville 5 years ago to offer specialized counseling, coaching & behavior management to youth & their families; alongside her mother in private practice. Ms. Lisa Schiavoni is a developmental school psychologist (Ed.S) & owner of Milestones in the Making, Inc.

Brianna ('Ms. Bri') enjoys developing models for innovative & *affordable* mental health service provision, like kid's yoga; but needs volunteer support to maintain sliding-scale rates for families in need!

Interested students are encouraged to apply for this one-of-a-kind volunteer opportunity as a **behavioral support** during our therapeutic kid's yoga classes. Volunteers will receive personalized training in behavioral modalities & oversight by a licensed professional. Position expectations range from 3-15 hours monthly; & require a minimum commitment of ≥1 academic semester. Some yoga experience is desirable.

Yoga 4 Youth classes – in need of volunteer support – are facilitated on Sundays at two separate class times. A current schedule can be referenced at the *Mindful Milestones* website ([www.MindfulMilestones.org](http://www.MindfulMilestones.org)), where Ms. Bri maintains information about all group programs facilitated both in & outside of Milestones in the Making, Inc. office.

On a separate note, Brianna is looking for a **student intern** to help with special projects this semester. Expectations for *this* position derive from community needs & shared interests (between Intern & Supervisor). Most work will be conducted on the student's 'own time' (i.e. special projects can be worked on independently following task agreement). This position will likely require 1-3 hours per week.

Interested parties – for either position - should send a resume with cover letter to [mindful.milestones@gmail.com](mailto:mindful.milestones@gmail.com). Applicants should include (1) what about the position interests you AND (2) general scheduling availability (i.e. how often are you available to volunteer for a Sunday class &/or how many hours are you willing to dedicate toward special projects for an internship?)
