

Leaders in Education Roundtable: Early Childhood in Gainesville

Just and passionate minds. Interdisciplinary solutions.

UF College of Education Leaders in Education Roundtables provide an opportunity for just and passionate minds from the UF and Gainesville community to come together to discuss and develop **interdisciplinary solutions** to pressing community issues. **Experts** and **novices** from all fields are encouraged to attend. Our first roundtable will bring together stakeholders in the fields of **education, poverty, and health care** to tackle issues within and intersecting with **Early Childhood in Gainesville**.
