## Silent Auction ● Games ● Food ● Music

O2B Kids has partnered with The Education Foundation of Alachua County and many generous sponsors to present an event in honor of those who serve our children each day. This unique party takes place at the O2B Kids SuperCenter and uses the "kid-inspired" features of the venue to create a one-of-a-kind experience for participants. Billed as a "Grown-Ups's Day to Play," O2B A Kid Again offers adults an opportunity to rediscover the joys of their youth with a fun-filled night of food, beer, wine, live band, activities, games and shopping at the silent auction. Paid for by local sponsors and supporters, all proceeds from the event benefit The Education Foundation of Alachua County.
