

FTCE Prep

Teaching Professionals Prep Courses

The objective of these courses is to offer teaching professionals and prospective students, knowledge to receive passing scores on each subtest of the FTCE General Knowledge Test (Math, English Language Skills, Essay, and Reading) and FTCE Elementary Education Test (Language Arts and Reading, Social Science, Science, and Math). A framework for successful test taking strategies and conceptual understanding of various topics will be provided. The course will be taught by Judy Beverly and Crista Ladd, both professional educators.
