If you are new to the company: everyone who auditions makes it onto Extreme. Auditions are for placement onto a level so you are dancing with people with a similar technical skill set as you!

Returning members graduating in Fall 2017 are not required to audition (unless wanting to move up levels). If you are graduating in Fall 2017 and do not want to audition, please email proof of graduation (I believe you can screenshot your degree audit, or anything else that shows you are on track to graduate in Fall) to me at extremedancesecretary@gmail.com. If you are not auditioning because you are graduating, you do not need to attend auditions. However, you DO still need to fill out the audition form linked above.

Returning members who are not graduating in Fall 2017 MUST attend auditions!

If you have any questions, feel free to email Hannah at extremedancepresident@gmail.com or me at extremedancesecretary@gmail.com :)

We are very much looking forward to see our returning members once again, and to see new faces join our dance family!
