

Southern Scholarship Foundation

To Whom It May Concern:

Through rent-free housing and cooperative living, the Southern Scholarship Foundation (SSF) empowers students who lack financial resources, demonstrate excellent academic merit, and exemplify good character to attend institutions of higher education. As a community, we encourage one another to grow and prepare for the future. Our campuses include Flagler College-Tallahassee, Florida A&M University, Florida Gulf Coast University, Florida State University, Santa Fe College, Tallahassee Community College, and the University of Florida. In Gainesville alone, we have a total of nine scholarship houses for over 160 students.

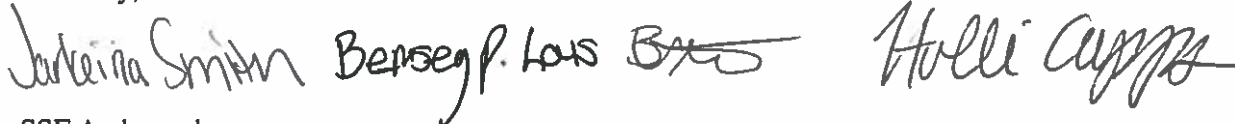

Residents live cooperatively and take turns cooking, cleaning and doing chores as a team. SSF operates on a relationship building philosophy. Through proactive and consistent engagement, we provide opportunities for individuals to connect and participate with SSF to advance our mission. There are a variety of leadership opportunities that SSF offers. House Manager, Treasurer, Business Manager and Ambassador are a few of the many leadership roles residents undertake. We seek to create an environment in which our residents can excel in broad areas of thought and action as independent leaders in their community.

To be eligible for the scholarship, students must demonstrate financial need, have at least a 3.0 GPA, demonstrate excellent character, and have a copy of their official acceptance letter from their University. Our scholarship saves students approximately \$12,100 per year. This would result in approximately \$48,400 in savings during the typical four years of college when compared to on-campus housing.

To apply and for more information, interested applicants can visit our website, <https://www.southern scholarship.org>. If you have any question please feel free to contact the Director of Student Affairs for Central Florida at Tturner@southern scholarship.org.

Apply to the Southern Scholarship Foundation and be a part of our community that makes the "Education for Life" philosophy a reality!

Sincerely,

SSF Ambassadors
