

REEF RELIEF®

Reef Relief® is a nonprofit membership organization dedicated to improving and protecting our coral reef ecosystem.

We are currently searching for applications for our upcoming internships located in Key West, Florida. Current students and recent graduates are encouraged to apply. For information on the available internships view the following pages. To apply please send a cover letter and resume to reefrelief@gmail.com.

Our Goals:

- Focus on rigorous science to educate the public & advocacy toward policymakers to achieve conservation, protection, and restoration of coral reefs
- Increase public awareness of the importance and value of living coral reef ecosystems
- Increase scientific understanding and knowledge of living coral reef ecosystems
- Strengthen grassroots community-based efforts to protect coral reef ecosystems
- Design, develop, support, and implement strategies for marine protected areas associated with coral reef ecosystems
- Encourage and support eco-tourism as part of sustainable community development that protects and preserves coral reef ecosystems
- Strengthen our organizational capacity to carry out our mission

Reef Relief is a registered 501(c)3 organization located in Key West, Florida.

Reef Relief Coral Camp Education Intern

June- Mid August 2019

Summer 2019 applications will be accepted beginning Nov. 2019

Interns selected will present classroom lessons on marine science and provide program support for the summer Coral Camp for Kids Program for kids 6-12 years of age. This internship is a great opportunity to gain hands on experience in marine education and conservation.

You will become familiar with the following areas:

- Marine and Environmental education for children
- Operation of Reef Relief's environmental center
- Fieldwork for the Key West Marine Park
- Marketing, fundraising, planning and organizing special events

Qualifications:

Applicants must have a degree in marine science and/or education, or the applicant must be actively seeking one.

How to apply

Please send a resume and cover letter to reefrelief@gmail.com

Reef Relief is a non-profit organization so all internships are unpaid, and housing is not provided. Housing or a small stipend may be available depending on funding.

Reef Relief Stormwater Education Intern

Accepting for spring 2019.

January-April (exact start and end dates are flexible)

Interns selected will help to organize and staff community volunteer opportunities related to Reef Relief's Stormwater Education Program.

The Stormwater Education Program internship duties includes four main components:

- Recruiting and organizing volunteers
- Distributing stormwater education door hangers to Key West residents
- Stenciling awareness messages around local storm drains
- Organizing and leading marine debris removal projects (both land and water based)

You will also be familiar with the following areas:

- Fieldwork for the Key West Marine Park
- Operation of Reef Relief's environmental center

Qualifications

Successful applicants will have a strong background in marine/environmental science and conservation.

How to apply:

Please send a resume and cover letter to reefrelief@gmail.com
